

serialModel::serialModel

```
graph LR; A[serialModel::serialModel] --> B[serialModel::reconnectTo Device]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'serialModel::serialModel'. The right box is gray with a black border and contains the text 'serialModel::reconnectTo Device' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.

serialModel::reconnectTo
Device
