

serialModel::readSerialPort

```
graph LR; A[serialModel::readSerialPort] --> B[serialModel::newPacketAvailable]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'serialModel::readSerialPort'. The right box is white with a black border and contains the text 'serialModel::newPacketAvailable'. A blue arrow points from the right side of the left box to the left side of the right box.

serialModel::newPacketAvailable
