

QCPItemTracer::setBrush

```
graph LR; A[QCPItemTracer::setBrush] --> B[QCPItemTracer::brush]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "QCPItemTracer::setBrush". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "QCPItemTracer::brush". Both boxes have a thin black border.

QCPItemTracer::brush
