The diagram illustrates a mapping from two separate layout grid hints to a single method call. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'QCPLayoutGrid::maximumOuterSizeHint' and the bottom box contains 'QCPLayoutGrid::updateLayout'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'QCPLayoutGrid::getMaximumRowColSizes'.
