

QCItemText::draw

```
graph LR; A[QCItemText::draw] --> B[QCItemText::mainColor]
```

A diagram showing a call from the `QCItemText::draw` method to the `QCItemText::mainColor` property. The `QCItemText::draw` box is white with a black border, and the `QCItemText::mainColor` box is gray with a black border. A blue arrow points from the left box to the right box.

QCItemText::mainColor
