

QCPGraph::channelFillGraph

```
graph LR; A[QCPGraph::channelFillGraph] --> B[QCPGraph::data]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text "QCPGraph::channelFillGraph". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "QCPGraph::data". Both boxes have a thin black border.

QCPGraph::data
