

MainWindow::MainWindow

```
graph LR; A[MainWindow::MainWindow] --> B[MainWindow::signalSlotConnections]; B --> C[MainWindow::enableGif];
```

The diagram illustrates a Qt signal-slot connection. It consists of three rectangular boxes arranged horizontally. The first box on the left is white with a black border and contains the text 'MainWindow::MainWindow'. A blue arrow points from the right side of this box to the left side of the second box in the middle. The second box is also white with a black border and contains the text 'MainWindow::signalSlotConnections'. Another blue arrow points from the right side of the second box to the left side of the third box on the right. The third box is gray with a black border and contains the text 'MainWindow::enableGif'.
