

Ui_modeDialog::setupUi

```
graph LR; A[Ui_modeDialog::setupUi] --> B[Ui_modeDialog::retranslateUi]
```

A diagram showing a call from the `Ui_modeDialog::setupUi` function to the `Ui_modeDialog::retranslateUi` function. The first function is in a grey box, and the second is in a white box, connected by a blue arrow.

Ui_modeDialog::retranslateUi
