

QCPPolarGraph::setData

```
graph LR; A[QCPPolarGraph::setData] --> B[QCPPolarGraph::addData]; B --> C[QCPScatterStyle::size];
```

The diagram illustrates a sequence of three Qt signal/slot connections. It consists of three rectangular boxes arranged horizontally. The first box, on the left, is shaded gray and contains the text 'QCPPolarGraph::setData'. A blue arrow points from the right side of this box to the left side of the second box. The second box, in the middle, is white and contains the text 'QCPPolarGraph::addData'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box, on the right, is white and contains the text 'QCPScatterStyle::size'.

QCPPolarGraph::addData

QCPScatterStyle::size
